CAUTION: MAIL FROM OUTSIDE THE FIRM

Laura an Luke, the revised report is fine with few exceptions, my clients cannot agree to not oppose any potential motion for default judgment against Does, we haven't even seen the motion and you already want them to waive any right to oppose it, please take it out. Second, why we took out the paragraph about exchanging computers, I liked the initial version much better, can we keep it. Lastly, regarding protective orders, I added a language that we will do our best to reach an agreement on one, I think its better that way since we never know what might happen. See attached.
